The Profiles on this page simulate raised panels, each accepting a 1/2" board on one side and a 3/4" board on the other. (see section and elevation on following page)

IL 752
3/4 x 2 3/16

IL 753
1 13/16 x 3 5/16

To create a classic raised panel look you may choose the traditional method or try one of our new mouldings, which simulate the look with less work. *(see previous page)*
